Dear Ms. Washer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Records at the Commission indicate that your committee should be following a monthly filing schedule; however, the reports you have recently filed indicate that you are following a quarterly filing schedule.
